

Clark County Historical Society Artifact Donations 2008-2017
(as taken from CCHS newsletters)

2008-2009

-The David L. Hobson Collection. Upon his retirement, Congressman Hobson donated his papers to Wright State University and his office and memorabilia to us. It is a wonderful collection of objects representing the life-time achievements of a true statesman, known and appreciated for his spirit of bipartisanship.

-Upright piano plate made by the Wickham Piano Plate Company

-Music and instruments, such as: The Springfield Banjo Band lp phonograph record; American Legion Post #6 drum set

-Large and small items: a long-handled church donation basket and Garnet's Bakery sign

-Patents and information about Clarence Ringwald - Ringwald Products Company

-Local school memorabilia: a Greenon High School band uniform; class photographs; Springfield High School cheerleader's outfit; Catholic Central yearbooks; Keifer Junior High sports letters

-Genealogical information: Zirkle Family ledger; Clark Family History; King Family photographs; Kiblinger-Rust Family notebooks

-Furniture donations: Big 4 Railroad Depot bench; a chair from Black's Opera House

-Clothing; a coverlet made by Simon Reigel; general photographs

-Records from Les Femmes des Charities, Clark County Health Department, and the Springfield Development Council

Through a budgetary line item, we purchased archival material relating to Lawrence Rausenberger, an early airplane engine designer and former SPECO employee.
