

Looking Back Article Listing and Index – Springfield News-Sun 1992-2001

The following is a list of articles from 1992-2001 from the weekly “Looking Back” local history series from the Community News section of the Springfield News-Sun. The majority of the articles were written by Tom Stafford.

The articles are sorted by date and the main topics for each article are included. Below the article list is a comprehensive index of photographs, people, places, and topics found in each article. The number following the item in the index refers to the number assigned to the articles in the main list. If the number is **BOLD**, that means that there is a photograph of the person or place mentioned in the article. Photocopies or print quality scans can be taken from these articles.

Index compiled by Natalie Fritz, Curatorial Assistant.
